God will Provide daycare & orphanage
Safe Care Mission International Society

We need your help & support

Without the support of people like you this ministry cannot go on. We are in need, due to the covid our monthly donations have dropped drastically. This has caused some hard times for the ministries needs. In order for us to be able to continue to provide safe care for these children we need our budget to be met. We ask that if you would commit to support us on a monthly basis please go to our website to the donate button.

CONSTRUCTION.

We are in the process of getting the septic for the laundry room finished, the inground pool for the orphanage done and the staff housing

Wow! Another school year has come and gone. We had a great time celebrating with our graduates. We had 4 of our elementary students graduate to junior high and 3 kindergarden children graduate. It was an awesome day!! We are so proud of them all.
